

# Milly Mouse

This kit contains all you need to make your own Milly the Mouse to look after and love.

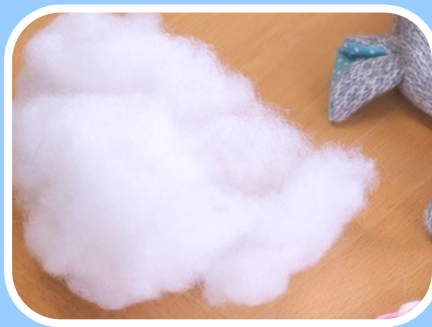

## FIRST LET'S FIND ALL THE PARTS FOR MILLY MOUSE!

1

Make sure you have a needle, thread, stuffing and Milly mouse body before you start.

Take your stuffing and break it up into small clumps.

3

Use small clumps

Push the stuffing in through the slot. Use your finger to push it into the body.

4

Cut a 15cm length of thread and thread it onto the needle.

5

Now to sew Milly up! Sew a loop of thread through the material at one end of the slot and tie a knot.

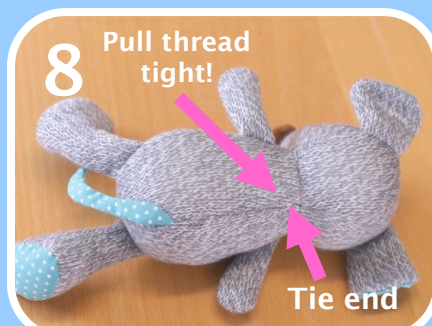

6

Now sew up the slot with around six loops of thread.

7

Keep sewing Milly until you are at the top of the hole pulling the thread tight.

8

Pull thread tight!

Tie end

When you are finished tie a knot to make sure the thread does not come undone and trim the ends.
