

# George the Giraffe

This kit contains all you need to make your own George the Giraffe to look after and love.

## FIRST LET'S FIND ALL THE PARTS FOR GEORGE THE GIRAFFE!

Make sure you have a needle, thread, stuffing and George's body before you start.

Take your stuffing and break it up into small clumps.

Push the stuffing in the slot in George's back. Use your finger to push it into the body and neck.

Now to sew George up! Pull the thread through the material at one end of the slot and tie a knot.

Cut a 15cm length of thread and thread it onto the needle.

Now sew up the slot with around six loops of thread & pull tight.

When you are finished tie a knot to make sure the thread does not come undone and trim the ends.

George is complete-well done! It's now time to make George's home! Please turn over the page and follow the instructions.

Produced by Apples to Pears Ltd., Stroud, U.K.

PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE

© Apples to Pears Ltd 2018. RECOMMENDED AGE 6+

WASHING INSTRUCTIONS: HANDWASH ONLY, DO NOT TUMBLE DRY.

ADULT HELP MAY BE REQUIRED.

apples   
to pears

**WARNING**

CHOKING HAZARD. Small parts; not suitable for children under 3 years.

# Time to make George's home!

**Step 1** With the help of an adult cut out George's fence and straw for his bed. Colour in the grass behind the fence. George likes the colour green and yellow.

**Step 2** lay out both your pieces of paper

**Step 3** Using some sellotape wrap the fence around George's tin then place George's straw at the bottom. Well done you have made George's home!

Time to take George on adventures!
