Conformity

Product conformity is of paramount importance. Safety and responsibility for environment begins at the design stage of each product, the specification of materials and components, right through to the production method. We strive to supply you with a safe product and one that conforms to all regulations.

UKCA (UK Conformity Assessed) Meets UK health, safety & environmental protection directive requirements.

CE Mark Meets EU health, safety & environmental protection directive requirements.

14+ Not intended for children under 14.

PFAS Free No known Poly-Fluorinated Alkyl Substances. Often referred to as the 'forever chemicals'. These chemicals do not degrade easily in the environment.

Triman Label Indicates that used packaging should be sorted. Additional icons show how to recycle.

Recyclable Packaging Made from materials that can easily be recycled if disposed of correctly.

Warning! Small Parts Choking hazard. Not Suitable for children under 36 months.
